**DJ Graffiti** is insurance against boring events.

He blends captivating music, infectious energy and inspirational speaking to create his trademark Keynote DJ™ Experience.

Brands like **Amazon, Nike and Campbell's** call on him to bring joy to kick-offs, conferences and team celebrations.

A client once said, "Other DJs are just up there. You became part of the event."

Named **Best DJ in Detroit** and travelling internationally, he's shared stages with **Snoop Dogg, Beyoncé, Eminem & Jay-Z.**

Whether **in-person or virtual**, give your audience the gift of DJ Graffiti and years later they'll still be thanking you!
